 HUNGRY WINES THE HUNGRY WINES COLLECTION	<i>Kadarka</i> VILLÁNY	
<p>This refined, slightly spicy wine is made from the special and challenging Hungarian grape Kadarka. As the wine farmer saying goes: "If the Kadarka turns out well, all wines will be good." It is made at a family wine estate with long traditions of winemaking in the scenic, award-winning red wine district Villány in the south of Hungary. Their objective as Polgár himself explains is, "to take care of the natural heritage, preserve and pass it on to our grandchildren."</p> <p>Ageing in oak barrels contributes to the wine's full flavour and bouquet. The taste is slightly fruity with delicate acids and kind tannins. Let it linger in your mouth and you will feel the paprika, the cherries, the red berries, and the vanilla notes. Enjoy with lamb, stew dishes, fish soup, and poultry (a great match to duck, and chicken/caesar salad with bacon).</p>
